

CITY OF GAHANNA

LOW-INCOME DISCOUNT PROGRAM OFFERED FOR WATER & SEWER CHARGES

The City of Gahanna is mindful of the rising costs of public utilities including water and sewer charges. In an effort to aid those families in need, Gahanna will be passing along discounts to eligible residents on their water and sewer charges.

What does this mean to you? Gahanna residents who meet the eligibility requirements will receive a \$.61/per thousand gallons discount on water charges and a \$.98/per thousand gallons discount on sewer charges. Actual savings will be based on usage. As an example: A family of four, consuming an average of 24,000 gallons of water over a three month period would save \$38.16.
